

## My life is changing

Lately, I don't have much time because I am studying hard. So, my family and my social life are changing. I am spending/spend less time with my family and friends but we all stay together and go out at the weekend. I am changing my daily organization to get the most out of my time. I get up earlier and go to bed later. Anyway, I'm planning on taking two weeks off and I'm saving money. My family and I are travelling to Bahamas at Christmas. When we come back from Bahamas I am thinking about signing up for a French course.
